

Golf

Card Deck · 2 to 6 players · about 20 minutes

House rules written for The Game Room. These are the common rules; plenty of tables play their own variations, so agree on any before you start.

How to play

Deal 6 cards face down to each player, laid out in two rows of three. Each player turns any two face up. Turn the next card face up to start the discard pile.

On your turn, draw from the stock or take the top discard. Swap it for one of your six cards (the new card goes face up and the old one is discarded), or, if you drew from the stock, discard it unused.

When one player has all six cards face up, everyone else gets one more turn. Score: ace 1, 2 counts minus 2, number cards face value, jacks and queens 10, kings 0, and a matching pair in the same column counts 0. Play nine hands; the lowest total wins.
