

President

Card Deck · 4 to 8 players · about 30 minutes

House rules written for The Game Room. These are the common rules; plenty of tables play their own variations, so agree on any before you start.

How to play

Deal out the whole deck. Cards rank 3 (low) up to A, with 2 the highest.

The leader plays a single card, a pair, three or four of a kind. Each following player must play the same number of cards of a higher rank, or pass. When everyone passes, the last player to play clears the pile and leads again.

The first player out becomes President and the last becomes Scum. At the start of the next hand, Scum gives the President their two best cards and the President gives back any two.
